

Cyclone

1.6 kW Automatic Hand Dryer
Traditional

p.82

Usage

The Cyclone is a popular choice for projects requiring basic effectiveness and reliable performance, making it suitable for a range of applications. Where specification is for a challenging environment which is sensitive to high air speeds, heat level and noise disruption this hand dryer is an ideal solution. This will avoid the necessity to consider a less hygienic option such as paper towels. Suitable for a wide number of applications including schools, offices, restaurants and shops.
