

# Cyclone

1.6 kW Automatic Hand Dryer  
Traditional

p.86

## Usage

The Cyclone is a popular choice for projects requiring basic effectiveness and reliable performance, making it suitable for a range of applications. Where specification is for a challenging environment which is sensitive to high air speeds, heat level and noise disruption this hand dryer is an ideal solution. This will avoid the necessity to consider a less hygienic option such as paper towels. Suitable for a wide number of applications including schools, offices, restaurants and shops.

## Features and Benefits

- Traditional style
- Low air speed makes the hand dryer suitable for young school children
- Metal case
- Stylish design in ivory white
- 1.6 kW power rating
- Vandal resistant
