

Jetstream Slimline

1.0 kW Automatic Hand Dryer
Energy Efficient

p.76

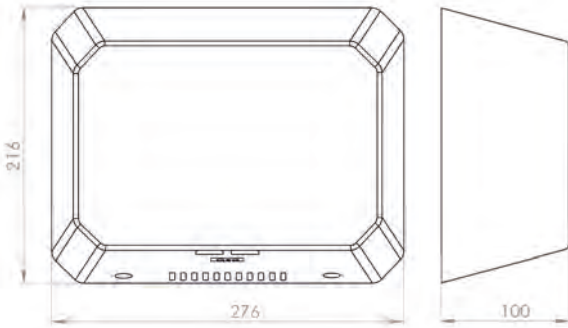

Usage

Suitable for many public washroom applications including restaurants, shops and shopping centres, office buildings, pubs, motorway services, factories and supermarkets. The slimline profile makes this hand dryer particularly suitable for restricted space applications such as portable buildings.

Features and Benefits

- High speed giving fast hand drying times
- Saves energy relative to traditional hand dryers from reduced drying times
- Modern compact design with slimline profile – depth only 100mm (4")
- Hygienic automatic operation reduces the risk of spreading germs
- Low 1.0 kW power rating
- Option to reduce power setting to 0.35 kW on installation to increase energy efficiency
- Durable white steel vandal resistant case
